

## Corporate Social Responsibility Policy

### Policy brief & purpose

Our Corporate Social Responsibility (CSR) company policy refers to our responsibility toward our environment. Our company's existence is not lonely. It's part of a bigger system of people, values, other organisations and nature. The social responsibility of a business is to give back to the world just as it gives to us.

### What is corporate social responsibility?

Our Corporate Social Responsibility (CSR) company policy outlines our efforts to give back to the world as it gives to us.

### Scope

This policy applies to our company and its subsidiaries. It may also refer to suppliers and partners.

### Policy elements
