ENVIRONMENTAL POLICY

Campbell & Kennedy Maintenance Ltd (CKM) operates in the Technology Solutions Sector. CKM provides installations and maintenance of Digital TV & Satellite, Network cabling, Auditing of Gigabit Broadband Installations and Response Maintenance to organisations throughout the UK.

Campbell & Kennedy Maintenance is committed to comply with the requirements of ISO 14001:2015 and continually improve the effectiveness of the quality management system.

Protection of the environment in which we live and operate is part of Campbell & Kennedy Maintenance's values and principles and we consider it to be sound business practice.

Care for the environment is one of our key responsibilities and an important part of the way in which we do business.

In this policy statement, we commit our company to:

- Comply with all applicable legal and other requirements related to the environmental aspects of the company.
- Protect the environment by striving to prevent pollution of land, air and water.
- Ensure that the company demonstrates continual improvement in environmental performance.
- Managing and disposing of all waste in a responsible manner.
- Providing training for our staff so that we all work in accordance with this policy and within an environmentally aware culture.
- Regularly communicating our environmental performance to our employees and other significant stakeholders, including the public.
- Developing our management processes to ensure that environmental factors are considered during planning and implementation.
- Senior management is committed to environmental improvement through setting and reviewing objectives and targets for environmental performance on at least an annual basis.
- Senior management is committed to developing and implementing a net Zero roadmap and achieve our Net-Zero commitment by 2030

This policy statement will be regularly reviewed and updated, as necessary. The management team endorses these policy statements and are fully committed to their implementation.
